Date

It is the responsibility of the plumber and purchaser to ensure that the program requirements are met. If program requirements are not met, no rebate will be paid. Fuel switching from an electric water heater to a natural gas model is not eligible.

*CenterPoint Energy assigns six-digit Dealer ID to participating dealers. If ID is not assigned, rebate can be submitted and dealer should contact us to acquire one. If self-installed, no Dealer ID needed; leave blank.

Return completed rebate form with required signatures and a detailed copy of the dated invoice from plumber/retailer to:

CenterPoint Energy Water Heater Rebate
P.O. Box 59038
Minneapolis, MN 55459-0038

WATER HEATER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a home or business with natural gas service from CenterPoint Energy in Arkansas or the Texas communities of Texarkana, Nash, Redwater or Wake Village between January 1 and December 31, 2018. All completed applications must be postmarked by December 31, 2018 to be considered for a rebate.

Plumbers/Installers are not eligible to receive their customer's rebate.

Builders should negotiate with homeowners to determine who receives the rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

NOTE: For rebate to apply, new equipment must be listed and Uniform Energy Factor (UEF) or thermal efficiency verified in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR website. See: ahridirectory.org or energystar.gov/products.

Type of natural gas water heater	Uniform Energy Factor (UEF) according to AHRI	Mail-in Rebate
Tankless	0.80 UEF or higher	\$500
Tank - less than 75,000 BTU/hr	0.70 UEF or higher	\$75
Tank - 75,000 BTU/hr or greater	88% Thermal Efficiency or higher	\$200 per 100,000 BTU, not to exceed 25% of total equipment cost

Replacing an electric water heater for a natural gas model is not eligible for a rebate.

APPLICATION

CenterPoint Energy cannot process without all of the requested information on the rebate form and invoice. Work with your plumber or retailer to complete the entire rebate application and obtain a dated sales invoice showing the detail of what was purchased and installed. The purchaser of the water heater and a representative from your plumber/installer (including self-installs) are required to sign the rebate application. A rebate form must be completed for each qualifying water heater installed.

ATTACH PROOF OF PURCHASE AND INSTALLATION

Please include a copy of an itemized receipt and/or invoice(s) with your application. Your plumber/installer or retailer should be able to provide this document for your qualified water heater. Any application missing this will be delayed or denied.

PROOF OF PURCHASE AND INSTALLATION DOCUMENTATION MUST INCLUDE THE FOLLOWING:

INSTALLED BY PLUMBER (INVOICE):

- Plumber/Installer or retailer name, address and phone number
- Customer name and installation address
- Itemized listing of quantity, description, manufacturer, complete model number, complete serial number and other identifying information as appropriate
- Purchase date

SELF-INSTALLED (RECEIPT):

- Itemized sales receipt including retailer name, address, phone number and purchase date
- Includes brand, complete model number, serial number and/or SKU number

CenterPoint Energy is unable to accept applications that do not include all of the requested information. Application will be returned if any information is missing.

HELP WITH FORMS

If you have any questions filling out this form, please contact your plumber or call 888-498-0409 for assistance.

If you are building a new home, you must obtain an invoice from your builder or plumber.

PROCESSING

Account number must be activated for installation address in order for rebate to be processed. Completed rebate forms are processed in the order in which they are received and paid on a first-come, first-served basis. Rebate qualifications and amounts are subject to change. Rebate funds are limited. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time. CenterPoint Energy is not responsible if the dealer/installer does not provide accurate information about the amount of a rebate or equipment eligibility.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you have not received payment after this time, call 888-498-0409 or email RebateCenter@CenterPointEnergy.com.

Rebate checks are issued from our Houston, Texas office and expire in 90 days from date check is issued.

APPLICATION CHECKLIST

- All fields on form are complete
- Purchaser signature
- Dealer/Installer signature
- Dated sales invoice/receipt from the plumber or retailer to include Customer name, installation address, brand, complete model number and serial number
