

WATER HEATER REBATE

ARKANSAS

For faster rebate processing and payment, please apply for your rebate online:

Customer - www.summitutilities.clearesult.com

Trade Ally - www.clearesult.com/trade-ally/summitutilities

1) Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application.

2) Review the **Terms & Conditions** on the back of this form to ensure all program requirements are met.

3) The new equipment must be listed in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR website.

See: ahridirectory.org or energystar.gov/products

4) Attach a copy of the detailed sales invoice from the company that installed the natural gas equipment or if self-installed, the retailer receipt/invoice.

5) Make a copy of the completed rebate application for your records and mail or email paperwork to the address at the bottom of the form.

WATER HEATER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a home or business with natural gas service from Summit Utilities in Arkansas or the Texas communities of Texarkana, Nash, Redwater or Wake Village. Rebates will be paid on a first-come, first-serve basis and are subject to budget availability and program changes. Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application. **If the 120 days have passed, the applicant may still be eligible for a rebate if the Program Year budget has not been exhausted and the rebate is applied for within 365 days of the installation of the equipment.**

No rebate will exceed equipment purchase price.

Equipment installed under warranty replacement does not qualify for the rebate.

Summit Utilities reserves the right to inspect the installed equipment.

NEW CONSTRUCTION INSTALLATION

For new construction installations, the builder should negotiate with homeowners to determine who receives the rebate. If you are building a new home, you must obtain an invoice from your water heating system installer. One application must be submitted for each qualifying water heating system installation.

Type of natural gas water heater	Rating as listed on AHRI or ENERGY STAR website: See ahridirectory.org or energystar.gov/products	Rebate	
		Water heater rebate	Residential Combination Rebate \$1700 total \geq 95% AFUE furnace and \geq 0.80 UEF natural gas tankless water heater installed in the same calendar year
Tankless	80-89.9% UEF	\$500	\$900 rebate if heating system rebate has been processed before the water heater rebate
	90% UEF or higher	\$700	
Tank - less than 75,000 BTU/hr	70% UEF or greater	\$75	N/A
Tank - 75,000 BTU/hr or greater	88% Thermal Efficiency or higher	\$500	N/A

***Replacing an electric water heater for a natural gas model is not eligible for a rebate.**

POINT OF SALE (POS) OPTION

Dealers and installers who deduct the rebate at point of sale will be eligible to receive rebate payments directly from Summit Utilities. Installers are eligible to receive their customer's rebates if a discount to the customer for the rebate amount is shown on the submitted invoice.

ONLINE REBATE SUBMISSION

Applying for a rebate using our online portal will result in faster rebate processing and payment. Please visit www.summitutilities.clearesult.com if you are a customer or www.clearesult.com/trade-ally/summitutilities if you are a trade ally.

SUMMIT UTILITIES GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement, or online at www.summitutilities.com.

PROOF OF PURCHASE AND INSTALLATION

All submissions must include dated sales invoices/receipts. Invoices/receipts must include equipment purchase price as well as brand/model number or serial number.

Retail Purchase/Self Installed: A clear copy of the dated sales invoice/receipt from the retailer to the purchaser must be included with the completed rebate application. The receipt must describe the water heater that was purchased. It cannot be a packing list, recall or generic receipt.

PROCESSING

Completed rebate forms are processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. Summit Utilities is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. Summit Utilities Conservation Improvement Program (CIP) rebate programs may be canceled or changed at any time.

Summit Utilities issues a cash rebate not utility bill credits. Please allow 6-8 weeks from the date that Summit Utilities receives your completed paperwork to receive a rebate payment.

APPLICATION CHECKLIST

All fields on form are completed

Invoices/receipts must include equipment purchase price as well as brand/model number or serial number.

Summit Utilities gas account number
